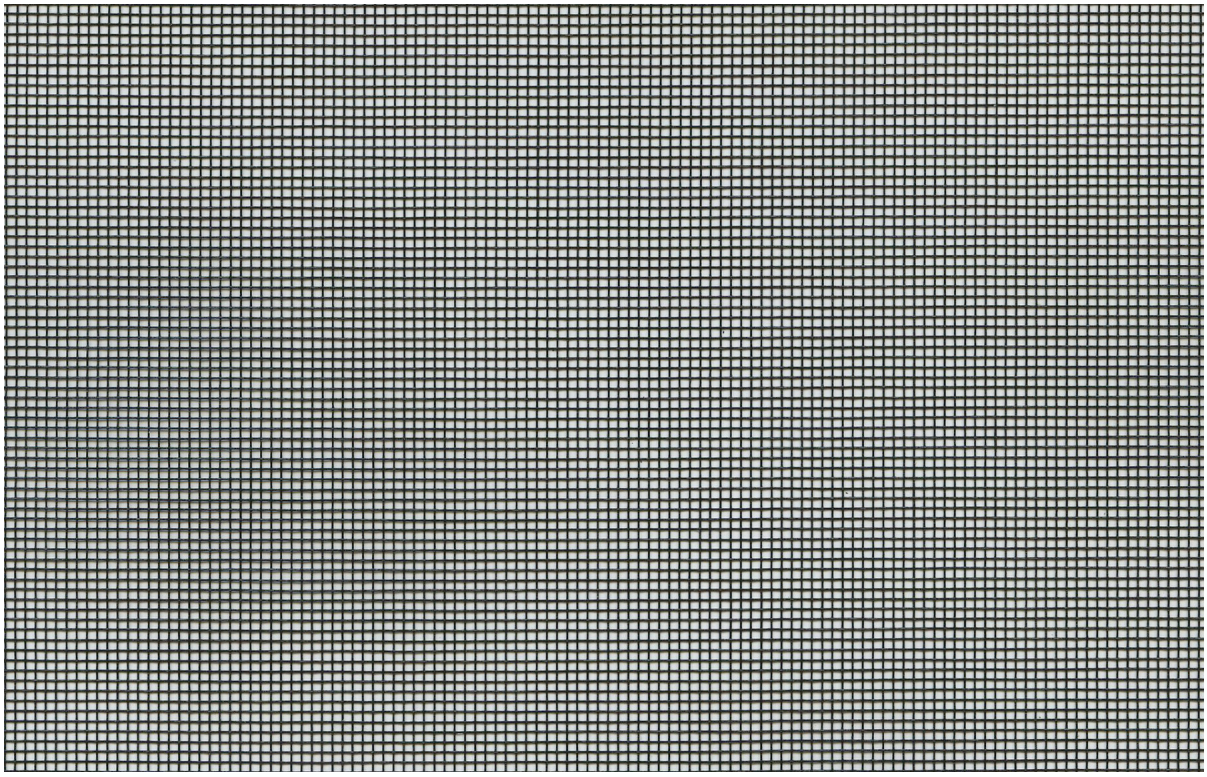
BetterVue®
Pool & Patio Screen
BY PHIFER



Black

BetterVue® Pool & Patio Screen offers better airflow and improved visibility. Greater openness of the mesh provides more optical clarity for a sharper and more brilliant outward view. BetterVue® Pool & Patio Screen allows 10% more sunlight through pool enclosures to provide comfortable water temperatures. It offers enhanced insect protection over standard screen and is suitable for all screen enclosure applications.

- Improved visibility insect screen
- Ideal for use where the focus is on the view
- More openness to feel even the gentlest breeze
- Enhanced insect protection
