Dark Bronze

SunTex® 80 exterior shading fabric is made of strong, vinyl-coated polyester. SunTex 80 is mildew and fade resistant and needs only an occasional cleaning with mild soap and water. Ideal for use as a shading fabric on windows, doors and porches, SunTex 80 is also pet-resistant.

- Blocks 80% of solar heat and glare
- Durable to resist pet damage
- Energy-saving screen for shading windows, doors and porches
- GREENGUARD Gold Certified
