SunTex® 90 is the ideal choice when sun protection and durability are top priority. A tighter mesh version of our SunTex 80 exterior shading fabric, SunTex 90 stops up to 90% of the sun's heat and glare. It is easy to clean and resistant to mildew, fading and damage by pets.

- Blocks 90% of solar heat and glare
- Durable to resist pet damage
- Energy-saving screen for shading windows, doors and porches
- GREENGUARD Gold Certified
