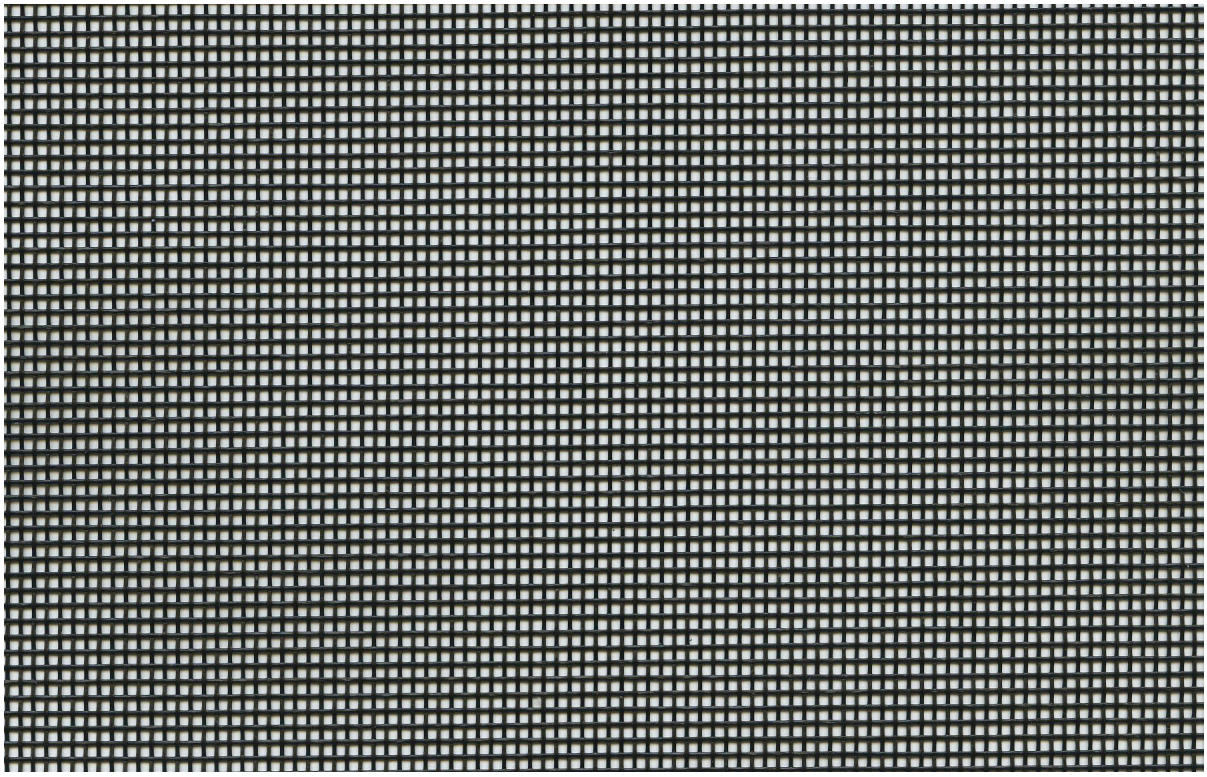
TuffScreen®
BY PHIFER



Black

Stronger than traditional insect screening, TuffScreen® is a durable, vinyl-coated polyester that resists tears, punctures and damage from pets and high-traffic areas. TuffScreen provides good outward visibility. With width options up to 132", it is the perfect choice for use in expanded view openings.

- Heavy-duty screen
- Ideal for use in high-traffic areas or expanded porch openings
- Durable and resists damage from pets, tears and punctures
