good for the soul
COLLECTION

With a color palette of soft, bleached hues that radiate silky, dreamy appeal, Phifer's Good for the Soul collection turns any outdoor space into a sanctuary of relaxation and clarity. Effortless neutrals exude optimism and balance uneasiness, while near pastel hues encapsulate the warmth of comfort and community. This calming palette, influenced by the clean lines and light spaces of Scandinavian design, brings true harmony and peace to any outdoor space.

COLLECTION

Inspired by modern coastal living, Phifer's Below Deck collection updates a timeless color palette by incorporating fresh and vibrant hues. This collection is rich with authentic color, drawing influences from the enchanting ocean and its brilliant sea life. Elevated styling and monochromatic hues artfully unite to evoke an ambiance of soothing relaxation. The collection's patterns and hues create the ideal clean and contemporary nod to the essence of the coast.

royal treatment
COLLECTION

Phifer's Royal Treatment collection pairs classic motifs with modern lux flair, creating fabrics that are nostalgically comforting. This vintage collection reflects its inspiration from the grandiose architecture and formal tastes of the aristocracy in its enduring international style. The color palette of richly saturated jewel tones lends itself to a sense of traditional warmth and luxury transcendent of passing trends and fads.

quiet corners

COLLECTION

Balance. Peace. Harmony. Three words that express the essence of Phifer's Quiet Corners collection. Inspired by the beauty of traditional courtyards and botanicals, this color palette exudes the peaceful harmony of the natural world. Earthy warm and cool tones dovetail deep dramatic neutrals, resulting in a balanced, tranquil collection that creates a restful and effortless ambiance.
