Super Solar Screening +

BY PHIFER

Charcoal

Super Solar Screening + offers the ultimate in insect protection while at the same time stopping up to 90% of the sun's heat and glare. This mesh also improves daytime privacy while offering excellent outward visibility. Phifer Super Solar Screening + works whether windows are open or closed. It keeps carpets and draperies from fading and helps save energy.

- Blocks 90% of solar heat and glare
- Improves daytime privacy
- Energy-saving screen
- Ideal for shading windows, doors and porches
- GREENGUARD Gold Certified
